

## FROM THE DESK OF THE COMMISSIONER

## WE WILL ALWAYS REMEMBER...

WEEK 1 – SEPTEMBER 10, 2011

Before you read this week's "WHAT'S NEWS," I feel the need to say and remember.....

"For the husband who told his wife, 'I love you,' one last time before his plane went down in a field; for the wife who stopped in the stairs to call her husband to say, 'I will love you forever'... for the mothers and fathers who kissed their kids goodbye the morning they died; for the Policemen who rushed in with the Firemen to help get others out only to die themselves; for the Soldiers who fought back and lost their lives. Today. Tomorrow. Ten years from now, We Will Remember."

that I still stand behind. I believe that our children learn more from action than words and 10 years ago when they were hearing on TV of the ugly events of that week but then they saw the actions of our OCJAAF family that following football Saturday they did learn American values on a field that they understood, a field they play on, a field they cheer on, a field they rejoice on and a field they live on, is their place and a safe place. Now this was done with the people who love them and they did not see it on TV they lived it.

I can remember, like all of us, on that ugly and chaotic day, but the days that followed were not any better. I had to make a decision, whether or not to play football on that next Saturday? And my decision was yes, one

Now, on to this week on the field.... I saw the hard work of Chapter Presidents, Staff and Coaches put into the pre-season is paying off! Our kids were all smiles, some timid and some aggressive, but happy to be on the field. Suzy and I were in Cerritos on the side line of our grandson's game, Clinic Rowland Raiders; they were playing the Cerritos Steelers. Now the Raiders were losing by a lot to nothing it was late in the fourth quarter as you can imagine the moral on the sideline was not very high. Then Suzy and I saw number 24 talking to his teammates saying, "why such a long face, it's only a game, aren't you having fun, that's all that matters." WOW. What has this coaching staff taught their kids? Looks like a lot more than football I think they have showed them how to have fun....."Great Job Coach Todd Ball". Then at the end of the day I was at St. Paul High School to watch the Midget Woodcrest Generals vs. Santa Fe Springs Ravens; again a game where a team was losing a lot to nothing but the losing team (Ravens) had great attitudes and were only talking about the next game and how they could improve ..... "Great Job Coach Kevin Ramsey."

This is just a small example of what "positive influence" and "positive action" shown to our youth from the young ones (Clinic) to the older ones (Midgets)--the kids' age does not matter but the Coaches actions and demeanor does!.....KEEP UP THE GOOD WORK OCJAAF!!!!

I love our OCJAAF family and I love the people who believe in what I preach and what I believe in--"The future is our youth." The unsung heroes of the US are our soldiers and the unsung heroes of our youth are "Our COACHES"..... And this is what.....

"WE WILL ALWAYS REMEMBER"

**HOPE IS THE BELIEF IN WHAT IS POSSIBLE AND THE EXPECTATION OF THINGS TO COME.** We need to instill in our youth that HOPE is what will keep them moving in a forward direction. HOPE breeds character and this character will breed HOPE. In the end this HOPE will not disappoint you but will keep you strong. Use HOPE and imagination as weapons of survival and progress. We can relate to our real life in football and cheer because of the ups and downs that come with each. In life you have family and friends that help you along the way. In football you have a bigger family, a team, a family structure, a place for yourself in the whole scheme of things, a reason to belong. *OCJAAF is here to help each child keep that inner HOPE alive and keep them always striving to be more of themselves tomorrow than what they are today.*

# THINGS TO REMEMBER...

FOR YOUR IMMEDIATE ATTENTION PLEASE! PLEASE REVIEW THE FOLLOWING...

1. When I hear a President say, "I am new at this, I didn't know" after game one I wonder why they did not ask before game one, the person on top needs to be on top of things, please ask. How can one be a leader if you can't lead yourself to the information highway? Don't yell at me because this does not sound like positive support as I preached in the last line of my letter, but I think positively that a Chapter President needs to hold themselves to a higher standard.
2. Chapter Presidents, please keep your field clear of excess people on the side lines.....I saw fields with gates wide open and no one manning them!
3. Must Play Sheets that are filled out by the head coach, please instruct them how it is to be filled out. Hint: read your rule book page 23, Article VII, Section C, par 16a, 16b, 16c & 16h.
4. HOME FIELDS--YOU MUST HAVE A CLOCK!!! Read your rule book page 13, Article IV, Section A, par 2f.
5. Please display your ADULT CODE OF CONDUCT banners at all home fields (in a clearly visible place).
6. Jerseys must be worn in agreement with the CIF standards, no knots what so ever are to be made if jersey is to big alter it.
7. NO CELL PHONES!
8. COACHES WEAR YOUR HATS APPROPRIATELY!
9. Coaches Box limit is the 25-yard line.
10. WHO IS IN CHARGE OF WEIGH-INS? The home team ! Visiting teams get weighed in first, unless they are late. FOR CHEER ONLY. After the weigh-in process has been completed, the Host CHAPTER GAME DAY COMPLIANCE AGENT will go to the cheer area and ask for the cheer courtesy roster and take head count, they will mark off the cheerleaders that are absent. Then the courtesy roster will be turned in with the football game day sheets and mailed to the OCJAAF Athletic Director (Wanda Hadley). Remember the home team has the responsibility to mail in the game day sheets and they must be in

Wanda's hands by the Thursday following game day. As a reminder to the host chapter in regards to taking attendance of the cheer teams your authority in this respect is only to take attendance. You cannot enforce any penalty for late cheerleaders by informing them they cannot participate.

11. PRESIDENTS: Have your coaches go through the "chain-of-command," they need to call YOU on game day--NOT ME! You need to be the first to know.
12. Chapter Game Day Player Compliance Agents (C.G.D.P.C.A.) is a must: 2 from each team is required: 1-pair (home & visitor CGDPCA) work each side of the field (home or visitor). You must provide a current OCJAAF ID badge and it must be visible at all times on the game field.
13. Just a matter of courtesy, visiting teams and spectators should not bring in their own food or drinks. Chapters with home games depend upon the income they generate from their snack bar sales, and besides it is a lot of work not to be successful. Some high school stadiums will forbid anyone bringing in their own food or drinks. Please be courteous and support each other. Thank you!
14. Teams that are playing in a stadium that has the new turf field, please respect the rules of the stadium. No food or drinks accept water on the playing field at all times. We do not want to lose the privilege of the use of the field.
15. Presidents please call in scores by 10am each Sunday morning, or your chapter will be donating \$\$\$\$ to our Scholarship fund.
16. CHEER .....Must be in full uniform by the 3rd game.
17. All teams will play as long as they have 11 certified players (8 for flag) who show up on game day, this game will be played as a \$100.00 forfeit, if no game is played then it will be a \$300.00 forfeit.
18. Please **READ YOUR RULE BOOK!!!!!!** We had many coaches arguing about jocks and shoes this week, the rule book says that you must wear a jock, it says nothing about a cup, a girdle or any kind of sports

- shorts just an athletic supporter. So please stop arguing with the Game Day Player Compliance Agent and buy your kids a jock. Next is the issue of shoes...if the rule book says, "no detachable cleats" so don't ask if they are rubber can they be detachable because I will say look in our rule book on page 15, Article IV, Section C, par 1i and by the way read all of Article IV, Section C, par 1A-1K.
19. Respect EVERYONE and in doing so you will respect yourself.
  20. Once a player crosses the scale and is overweight (OW), that child **cannot** re-weigh and enter the game. WOW I cannot believe that I need to even say this! (Must of happened, HUH???!!!!).
  21. Once a player crosses the scale and are overweight (OW), the Host Chapter cannot over ride the outcome and allow the child to play. AGAIN WOW I cannot believe that I need to even say this! (Must of happened double HUH???!!!!).
  22. Our kids are all now in school and we are at 3 practices a week please push the books, support the OCJAAF Scholastic program! Remember our OCJAAF ALL ACADEMIC TEAM, live it, breath it, feel it and support it. Our youth are our future. Thank You, your Commissioner Bob Barna.
  23. Players with a soft or hard cast may play as long as the doctor has released him or her to play and a copy of that doctors release must be kept in the player's contract sleeve. The cast must be padded and the officials on the field have the final say as to the padding requirements. No weight allowance will be given for the cast but the padding can be added after the scale process but before weigh-ins are over.
  24. Please respect the Home Chapter and their field; eat their food do not tailgate or sell your food in the bleachers (even if you want to call it a fundraiser). Also help out by picking up your trash. It boils down to respect and treat others as you want them to treat you. THAT SIMPLE.....THAT DIRECT!
  25. PLEASE UP HOLD THE HIGH STANDARDS OF OCJAAF--the lack of knowledge of the Rule Book (read it and embrace it) is only your fault not mine. Please accept that fact...
  26. Please have fun and let our kids play ball and cheer in a pleasant atmosphere. Keep your yelling to yourself not at our kids or our volunteers.
  27. COACHES HATS must be worn per OCJAAF standard and that is with the front in the front. COACHES WEAR YOUR HATS APPROPRIATELY! (Yes this is what I said in #8 above just wanted to make it clear).
  28. COACHES PANTS...I will just sing, "pants on the ground.....pants on the ground.....lookin' 'like a fool with your...pants on the ground..."
  29. COACHES...we ask our players to be in the proper attire on game day all I ask is for you to respect that and show a good example!
  30. 10 min half-time to be used to talk to players and make adjustments for 2nd half. Referees are not going to warn coaches when the warm up period begins! The timer is instructed to put 10 minutes on the clock (at the half-time break) and when it runs out to reset the clock for 5-minutes (warm-up period). It is the Coaches responsibility to have his team back on field for warm-up period. Warm-up period is to stretch and warm-up. Teams are to be ready to go at the end of the warm-up period. Your time keepers must post the 10 min time and the 5 min warm-up time appropriately.
  31. "NO" OCJAAF ID---"NO" COACH!
  32. Player pictures due by Game 3---NO PICTURE, NO PLAY!
  33. FUTURE LEAGUE RULES: A pass or fumble which has not touched the ground is a live ball and therefore can be caught and advanced by either team. (Page 60, article III, sect A, par 1a).
  34. FUTURE LEAGUE RULES: A flag is not removed by grabbing and pulling does not cause play to stop. In all situations where play is in progress and a ball carrier loses one or both flags either accidentally, inadvertently, or on purpose, de-flagging reverts to a one-handed touch of the ball carrier between the shoulders and the knees. (Page 70, article VI, section B, par 14a(1)).
  35. The home chapter must e-mail scores to FOOTBALLMAN@EARTHLINK.NET by 10am Sunday.

36. The HOME TEAM is responsible for change of jersey color if a jersey conflict exists. The OCJAAF inserts "conflicts" into our game schedule as a courtesy to the game day Officials. However, the ultimate decision is the Officials on the field and if there is enough contrast between the teams, the Official may allow it. This is not a reason for a forfeiture of a game and when applicable a penalty will be assessed for non-compliance as reported by the game Official.
37. **HOME CHAPTERS:** In the event that Officials are late or absent at your field please call 1-562-755-8612 ASAP. Only one (1) person from the host field can call. (We don't want parents or coaches calling for the same reason). Please also ensure you are using the OFFICIALS' SIGN-IN SHEET and remember to mail it to the OCJAAF Supervisor of Officials (address is indicated at the bottom of the sign-in sheet). Thank you.
38. **NEW CIF RULE FOR 2011: MERCY RULE**  
Effective Fall, 2011, a mercy rule will be in effect for all football contests in the C.I.F. Southern Section, which includes pre-season games, league games

and playoff games, including Championship Finals. This means that if one team has a lead of 35 points or more at the end of three quarters, there will be a running clock for the 4th quarter until the end of the game. If the team wishes to invoke a running clock prior to the start of the 4th quarter, they can do so by mutual agreement of both head coaches.

39. The OCJAAF Presidents have voted a rule change on the 18 Pt Rule. Again, this interpretation is only applicable when a team is behind by 18 or more. There will be NO inside kicks when a team is ahead by 18 pts. If, during the kickoff by K, the ball is touched by K before the ball travels 10yds on, bean bag the spot of first touching and throw flag. If R recovers and advances beyond this spot, then give result of run. If R or K recovers the ball behind the spot of first touching, bring the ball to the spot of first touching and award ball to R.
40. Nothing to say or tell you I just wanted to end this part with an even number...

**APPEALS FOR ANY OF THE FOLLOWING PENALTIES MUST BE SUBMITTED THROUGH THE CHAPTER PRESIDENT ONLY AND WITHIN 72-HOURS FROM THIS POSTING. PLEASE CONTACT THE OCJAAF COUNCIL PRESIDENT TO FILE YOUR APPEALS @ [ocjaafinfo@aol.com](mailto:ocjaafinfo@aol.com). THANK YOU.**

# TOUCHDOWN! HIGH FIVE!!!!...

We appreciate the hard work and dedication of all our volunteers who make OCJAAF a leading youth organization. There are some instances where we would like to give a "shout out" to some of you for extraordinary efforts and sportsmanship and we call this...HIGH FIVE! Thank you for this...

1. I would like to give you some "good news" about one of our OCJAAF- **Corona Clinic Blue Football Player's, TYSON McDONALD**...In the off season he ran with Speed City Track Club and won 3 Gold Medal at this year's Junior Olympic in Wichita, Kansas. Tyson won the Bantam Boys 9 & 10 year division 100 Meters National Championship with a 12.76. The fastest time in United States this year. The record is 12.73, and won 2 other Gold medal in 4/100 and relay set a new National Record in 4/400 with 4:09.

All the times are on USTF Junior Olympic to verify everything including the 4/400 National Record.

2. I wanted to give **Lora Gonzalez** a big high five at **South Gate** along with her staff as the hospitality was the best all around. Everything went so smoothly and when one of the players from South Bay for the Midget game had a problem with his helmet at weigh-ins (missing a screw), Lora's staff stepped in and fixed that helmet so that Midget Player could play without hesitation. I want to thank and give **John Aston** and **Crystal DeLeon** of South Gate a big high five for making that happen. Again, Lora thank you and your staff again for making my day way more enjoyable all around.....From Coleen Ludvigson, Conference Player Agent.
3. **Great Week One!** I want to wish the **Huntington Beach PEE WEE** player that got hurt towards the end of the game a speedy recovery! I want to thank **Greg Dixon at Carson** for the great hospitality and also congratulations on your new field. Looks great! I also wanted to thank all of OCJAAF for a great week 1 and good Luck to all this season! From, Robert Frutos, Bellflower Broncos.
4. **HIGH FIVE TO ALL FOOTBALL PLAYERS, CHEERLEADERS, COACHES AND FANS OF THE JR. MIDGET BELLFLOWER BRONCOS AND THE MISSION VIEJO COWBOYS WHITE TEAM.** What a game!!! The sportsmanship on the field gave you such a sense of happiness. I wish for OCJAAF that every game is played this way this season. Enjoyed being there and enjoyed hanging with OCJAAF Agent Yvette. Bellflower, congrats on the win! From Wanda Hadley-OCJAAF A.D.
5. Welcome to our new chapter **MANHATTEN BEACH** and congratulations on your first game and first OCJAAF win!
6. **HIGH FIVE TO CORONA!** Nice set up for your opening day great atmosphere and high five to **Luis Mc Donald** for making sure I had my Diet Peach Ice Tea....
7. **A HUGE "HIGH FIVE" to DOWNEY.....NEWPORT MESA.....&.....FULLERTON** for the use of their fields when Hart Park got closed thank you, thank you, thank you!

# FIELDS VISITED THIS WEEK...

## FOOTBALL

The first Saturday of OCJAAF games! Started out to go to CORONA, but got a phone call that Orange' field--Hart Park--was closed because of the rain, so I needed to move some games and make phone calls.. FULLERTON, DOWNEY, AND NEWPORT MESA all stepped up and added a 3pm game to their field and pulled OCJAAF and Orange out of a big jam 'THANK YOU!' to all.....now that this was done Suzy and I were off to .....NEWPORT MESA, and watched our youngest grandson in his very first football game. Great game, great field and great people except no "DIET PEACH ICE TEA SNAPPLE" next off to .....CERRITOS..... At Gahr High School, Money I love your set up and crowd control and of course your wife made sure I had plenty of "DIET PEACH ICE TEA SNAPPLE!" Next made a stop in ROWLAND HEIGHTS, then off to ....CORONA.....What a great set up! It was their Opening Day and every team had a food both and fun things for kids to see and do, the field is in a city park and I just loved the atmosphere. Vee was not there but Melonie was very hospitable, now there wasn't any beverage for me they had some dumb excuse that Vee drank them because she thought I was not coming but Luis McDonald came to my rescue and went to the store and surprised me with not one but two "DIET PEACH ICE TEA SNAPPLE!"..... Now off to .....MISSION VIEJO.... Good game, Junior everything looked great but I saw no one manning the gates, other than that and the fact that you did not have any "DIET PEACH ICE TEA SNAPPLE" things looked good! One more thing Junior...if a team buys food from you, you should let them eat it in the stands while they watch the next game. Just say'n.....now off to.....SANTA FE SPRINGS at St. Paul High School I wanted to see a Midget game. It was a good game a little lopsided but still a good game. What I did love was the morale on the field from both sides and the stadium is great...good job Wayne but just like Newport Mesa and Mission Viejo, you had no "DIET PEACH ICE TEA SNAPPLE!"..... Now off to my next stop, HOME...See you on the field next week!

Another great Saturday of Iced Diet Peach Tea Snapple! THANKS EVERYONE!

Eye'll Be Seeing You Next Week!...
