JUNIOR ALL ☆ AMERICAN FOOTBALL

2018 Sponsorship Form

Bears Junior All American Football is a non-profit youth sports organization that benefits children ages 5 to 15 in the communities of Anaheim, Buena Park, Brea, Fullerton, and La Habra.

In an effort to allow all children who want to cheer or play football, an opportunity to do so, Bears Junior All American Football depends on donations from corporations, organizations, businesses, and families to continue to support the young players and cheerleaders in our community.

The National Football League's Play 60 program and the Obama Administration's Let's Move campaign both recognize the growing importance of sports in the development of America's youth. With that in mind, Bears Junior All American Football invite you and your corporation/business to be a proud partner of our growing family organization.

Bears Junior All American Football provides a fun, safe, and healthy environment for cheerleaders and players at every level. Bears Junior All American Football enthusiastically encourages you to be part of our family and have a presence in our community as one of our proud sponsors. Support the Bears championship cheer program.

Bears Junior All American Football graciously accepts your kind donations, grants, gifts, and major gifts.
